

Technical drawing of a vertical assembly, likely a structural component or fastener. The drawing shows a central vertical shaft with various components and dimensions.

Key dimensions and labels:

- Top thread: M8
- Thread specification: 4-GB6172 M8
- Distance from top to first nut:  $\geq 150$
- Distance from first nut to second nut:  $80 \pm 10$
- Distance from second nut to third nut:  $80 \pm 10$
- Distance from third nut to fourth nut:  $80 \pm 10$
- Distance from fourth nut to fifth nut:  $\geq 300$
- Distance from top to bottom: 1500
- Distance from top to first nut: 120
- Distance from top to second nut: 2080
- Bottom thread: M8
- Central hole diameter:  $\phi 8$
- Overall length:  $L=3640$

Technical drawing of a mechanical part. The main view is a side view showing a central hole with a diameter of  $\varnothing 12$ . The part has a total length of 120. There are two rectangular features on the top and bottom surfaces, each with a width of 40 and a height of 20. The top and bottom surfaces are labeled M8. A cross-section view is shown at the bottom, indicating a diameter of  $\varnothing 20$  for the central hole and a width of 20 for the rectangular features.
