

Technical drawing of the rear view of a component. The drawing shows a rectangular base with a central mounting area. Dimensions are indicated: a total width of 206±1, a distance of 90 between two vertical lines, and a distance of 63 between two horizontal lines. A dimension of 65 is shown for the bottom section. A label '4xM12' points to a mounting hole. The drawing is labeled '(228)' at the bottom.
